Advice to student

You will begin to connect with the energies of the workshop and the group about a week prior to the workshop, and sometimes as soon as you make a commitment to attending. You may begin to feel tired or emotional. This is all perfectly normal you are simply letting go of old energies that you no longer need in preparation for the wonderful new energies of Angelic Reiki to come in. This includes embracing all personal changes and clearings that will present themselves to you in the time running up to the workshop. People do experience, to varying degrees of intensity, physical, emotional and spiritual clearings. If any of these clearings present a problem to you, please contact us and we will do whatever we can to support you and give you an insight into the process.

Indulge yourself with plenty of self love and care in whatever way that is for you.

We give no specific advice as to diet or lifestyle leading up to the workshop. Below are only a few guidelines you may follow a week or two before the workshop if you wish to prepare in anyway for the same.

- Reduce your intake of stimulants such as tea, coffee & chocolate.
- Eat a healthier diet free from red meat and eat organic produce if available.
- Avoid alcohol.
- Allow yourself quality time, walk in nature, take gentle exercise listen to music or read a good book.
- Take Healing salt baths for purification. Himalayan salts are great for this.
- Receive an Angelic Reiki healing treatment to prepare yourself on all levels.
- You may feel guided to clear out old unwanted energies within your home and environment such as clearing out your wardrobe, cupboards, workspace etc. as preparation for the new energies coming in.

We also ask you to be open to your own guidance ,embrace whatever feels right for you and hold in your consciousness the sacredness of the work we are to do.

Angelic Reiki® 1 & 2

The purpose of this course

Firstly, it is to restore to the Reiki Symbols to their original Divine Vibration. This was lost when Man disconnected from Source. This process is gifted to us by the Angelic Kingdom of Light. The symbols given in this workshop are attuned through the Angelic vibration. Healing Angels give the attunements and work with you taking your connection to the Angelic Kingdom to a new level.

The student is attuned to a complete system of healing used through the Angels and the Reiki symbols. The student is given practical 'hands on' experience in healing methodology involving healing as a channel, healing with intention, healing with a Master and Galactic Healers and Multi-dimensional Healing. The workshop also includes how to attune spiritual tools such as crystals and essences.

This course will give you the most perfect gift for you. It will support your own personal healing and spiritual journey, open up gifts and spiritual talents; reveal your dharma and life's purpose. It may be to help you to support family and friends or be a step on the way to share it with others as a professional healer or teacher.

It may totally change your life.

You may not know, but your Soul will know why it has brought Angelic Reiki to you.

It will change your DNA, your cells and molecules and activate your Light body. It will enable you to merge more intimately with The Angelic Kingdom of Light.

All spiritual teachings and energies are universally available to everyone, but through his guidance from the Master Djwhal Khul and Archangel Metatron, and his great knowledge of spiritual principles and ancient teachings, Kevin Core has woven together a unique and profound system of healing. This system has been named Angelic Reiki.®

This course will include: –

- Two Angelic Reiki cleanses and attunements;
- One Archangelic initiation and blessing,
- A definition and understanding of the nature of angelic energy,
- The principles of clearing and dedicating space,
- Six healing methods including self and distant healing,
- Four practical healing exchanges,
- Cleansing and tuning crystals,
- The laws of healing according to the divine hierarchy as given by Djwhal Khul.
- Full attunement to Angelic Reiki 1st and 2nd Degree which includes 8 Divine Multidimensional Symbols.
- A complete Karma Cutting and Angelic Clearing prior to taking the attunement.
- Hands on healing experience, being a channel for healing energy through
- Healing Angels and the Reiki Symbols plus the first steps in Multidimensional Healing.
- An attunement to the Angelic Kingdom of Light at the 11th dimension through the Archangel Metatron and Angelic Collective "The Mighty Sarim". This involves an attunement given by 30 Archangels, the Chief Celestial Angel Princes.

This workshop is a powerful experience and lays the ground for the incoming Galactic Energy of the Ascension. It places you in your own Spiritual Power and Knowledge of yourself as the Ascended Master that you truly are.

Full syllabus:-

- An understanding of the process of clearing and dedicating a healing space. Also the closing of the space after the session is complete.

- How to attune crystals and essences to Angelic Reiki and how important this is.
- Provision of the 1 & 2 workbook to each participant, at the start of the class, and explanation of the material in this book.

The shape, sound, drawing, and meaning of the symbols are NOT taught. Simply to look at the symbols integrates their vibration into the recipient's consciousness. The most perfect symbols and energy are provided, brought and guided by the Angelic Kingdom of Light (not the healer).

Jenna, Monisha and Robert
